

SECTION 18H

H. CONNECTING HIGH SCHOOL STUDENTS TO TUTORS

In most circumstances, tutoring would be beneficial for any high school student. If the student is behind, it will help bring them closer to being on grade-level. If the student is an A student, tutoring could help them prepare for the PSATs or SATs to become eligible for a better college and/or more scholarships.

However, if tutoring is not available to all students for whatever reason, students who are at risk of not being promoted or have below a 75 average should be prioritized.

After the Coach has formed a relationship with the student, the Coach should make this suggestion to the student and his/her parent. If the student is open to it, the Coach will refer the student to a Tutor. (See [Fair Futures Program Manual Section 19](#))
