

FAIR FUTURES MONTHLY RAW DATA: TARGETED SERVICES

Description: This report shows the youth-specific data for the indicators in the ACS 2.0 Youth Served report. The data is shown by Agency Group. If there are any questions about the summary numbers in the Youth Served report, this raw data report can be run to view all targeted services (non-coached) youth included within the month selected. This report is intended to be run for one month at a time.

The report includes the following indicators:

Targeted Services Start Date:

Start date of the youth's Targeted Services case

Targeted Services End Date:

End date of the youth's Targeted Services case

(If the youth is still coached, this date will be the date the report is run)

Days Open In Month:

The number of days the youth was active within the month

Status At End Of Month:

The youth's coaching status on the last day of the month:

- *OPEN* = Targeted Services was open the entire month
- *OPENING* = Targeted Services was opened during the month
- *CLOSING* = Targeted Services was closed during the month
- *FF Eligible: Age 14+ FD* = Youth was final discharged at age 14+ on or after 7/1/2022 & is eligible for funding
- *FF Eligible: Age 18-26 Former FD* = Youth was final discharged at age 18+ before 6/30/2022 & is eligible for funding
- *Not Eligible for FF Funding* = Youth is not eligible for funding

Cohort:

These are the 3 cohorts in the new ACS report:

- 1) *ACTIVE* (this includes Open, Opening, Closing from the Status at end of month)
- 2) *Age 14+ FD*
- 3) *Age 18-26 Former FD*

This cohort is not included in the ACS report:

- 4) *Not Eligible*

Staff Name:

This is the agency 'Targeted Services' placeholder or the staff person assigned as of the last day of the month

Housing Eligible:

This is the housing status in the Youth Profile (yes/no)

Contacts Entered:

Total count of contacts entered regardless of outcome (excludes tutoring, workshops, peer groups)

Contacts Engaged:

Total count of contacts entered where the outcome is 'engaged/responded' (excludes tutoring, workshops, peer groups)

Tutoring Entered:

Total count of tutoring contacts entered regardless of outcome

Tutoring Attended:

Total count of tutoring contacts where the outcome is 'attended session'

Targeted Service Forms Completed: (the ACS report counts youth with 1 or more)

Total count of all targeted services forms (academic, career, housing) completed

Instructions on how to run the report:

1. Click on **REPORTS** on the left-hand menu
2. Scroll down to the **ACS** section and click on the Launch button under **Monthly Raw Data – Targeted Services**
