

When in doubt, students/coaches can reach out to **SAY YES** for support navigating education-related programs.

## **SAY YES STRATEGIC PARTNERSHIP**

**Say Yes** is the Buffalo Public School system's strategic partner in managing and delivering their "community schools" programs, bringing together school and neighborhood resources to improve student learning and create stronger and healthier families at more than 20 schools in Buffalo.

### **THE SAY YES TEAM AND PARTNERS PROVIDE A RANGE OF COMPREHENSIVE SUPPORTS INCLUDING:**

- Expanded learning opportunities after school, on Saturdays (free) and during the summer
- Individual and group mentoring
- Supports that promote school attendance and support students/families through school challenges
- Help navigating school processes including registration, enrollment and parent-teacher conferences
- College preparation and scholarship funding
- Job readiness and career coaching
- Health care and mental health care services
- Legal services
- Social services for families
- Connections to paid internships

### **CONTACT INFORMATION**

To access these services, reach out to Buffalo schools' **Family Support Specialists (FSS)** which provide services in every school building to promote student attendance and address general challenges at school.
