

CATHOLIC CHARITIES

Catholic Charities of Buffalo

[Catholic Charities of Buffalo](#) Education and Workforce Training programs guide and support individuals who are out of school and want to improve their employability, and ultimately earn a living wage and more. For those who may be unemployed, underemployed or a dislocated worker, they provide a high school equivalency program, offer remedial assistance, and assist with enrollment in college or vocational training programs. Since 1975, Catholic Charities has assisted thousands of Erie and Niagara County residents get a fresh start with these services.

EDUCATION & EMPLOYMENT PROGRAMS

Education & Employment programs serve youth 16+ and offer high school equivalency instruction, reading and math skills tutoring, the high school equivalency test application process and scheduling assistance, and assistance with college prep

EAST DELAVAN ACADEMY

East Delavan Academy is a free, short-term vocational training program providing classroom, hands-on, and soft skills training for students ages 18 and older. Current trainings include Construction & Trades and Telecommunication certifications.

TOMORROW'S YOUTH TODAY

Tomorrow's Youth Today assists out-of-school or unemployed youth ages 16 to 24 with high school equivalency preparation and scheduling, employment search assistance, tutoring, and college/training placement services.

A BETTER ME

A Better Me offers young men and women (including those who are at-risk of gun violence) structure and services that promote positive behaviors and experiences. Caseworkers partner with families to address individual, family and community issues.
